1. INTRODUCTION

- 1.1 Members have asked that a mechanism be created to allow the Authority to identify future reports and see indicative dates of when decisions will need to be made including when possible an indication of when decisions may need to be made by the constituent Boroughs.
- 1.2 It is intended that this report will be updated for every meeting and that new and forthcoming items will be added to the list over time.
- 1.3 The Forward Plan has also been divided into four sections:
Consultations and Policy Development
Operations and Contracts Management
Corporate Management
Finance

2. CONSULTATIONS AND POLICY DEVELOPMENT

- 2.1 No further consultations are currently anticipated before the next Authority meeting. However, the North London Waste Plan (NLWP) has indicated that it will be issuing a number of documents over the forthcoming weeks and months upon which stakeholders can comment. Accordingly elsewhere on this Authority meeting agenda, delegated approval is sought to respond as necessary to any upcoming consultations from the NLWP.
- 2.3 Reports to take forward specific aspects of the Authority's residual waste strategy, which will be updated to take account of Members' decisions on the timeline for future activity..

3. OPERATIONS AND CONTRACTS MANAGEMENT

- 3.1 The on-going recycling, composting and disposal of the wastes collected by the seven constituent borough councils continues, along with associated contract, performance management and statutory reporting activities.
- 3.2 The implementation of the North London Joint Waste Strategy will proceed in a variety of ways, including through the on-going management of contracted services and through the North London Waste Prevention Plan 2014-16 and the implementation of a joint recycling communications campaign. The review of the 2012-14 joint recycling communications campaign and proposals for 2014-15 will be considered by the Members Recycling Working group. Third party reuse and recycling credits will continue. Bids for financial support from external bodies will also come forward.

4. CORPORATE MANAGEMENT

- 4.1 At the organisational level, the Authority continues have regard to potential risks, to oversee its shareholder interest in LondonWaste Ltd, and to manage its relationships with the constituent borough councils, particularly through the Inter Authority Agreement.

4.3 A report is planned for the September meeting of the Authority on proposals for a new Waste Management Contract..

5. COMMENTS OF THE FINANCIAL ADVISER

5.1 The Financial Adviser has been consulted on the report and has no comments.

6. COMMENTS OF THE LEGAL ADVISER

6.1 A forward plan as such is not a legal requirement, because the Authority does not operate under Executive arrangements, but will nonetheless be helpful in longer term business planning.
