WLLF18-001	30/04/18	In relation to securing suitable venues: are we able to book/use venues utilised in the 2017 delivery of events? (and any of the previous years' delivery?)	02/05/18	Yes, venues utilised during the delivery of Waste Less, Lunch Free events in the past (including in 2017) can be booked for the delivery of Waste Less, Lunch Free events in 2018.
WLLF18-002	30/04/18	In relation to section 4.8 of the Specification, what data would you be requiring to collect from attendees of the events?	02/05/18	NLWA requires the appointed contractor to collect the names and contact details of any attendees who wish to be added the NLWA's resident database so that they can be informed about future events. This requirement is to be carried out in performance of NLWA's public tasks to encourage waste minimisation and recycling in north London. The requirement from the appointed contractor to collect pledges and conduct attendee surveys (paragraphs 4.2 and 4.3 of the Specification) will not require the collection of personal data as defined in the General Data Protection Regulation (EU) 2016/679 (GDPR).
