1	07/11/2024	Will the £150,000 allocated for the small/medium awards be split equally between the seven boroughs?		07/11/2024	The money will be awarded according to the applications received rather than designated between boroughs specifically.	None
2	07/11/2024	Would an application proposing to take food waste from businesses and redistributes it or use it to benefit the community and residents be considered?		07/11/2024	Redistribution of food waste from businesses does not address or link to an understanding household waste. Applications would need to explicitly link the benefit to reduction of household waste.	None
3	07/11/2024	Building on the above question, what if the project focussed on workshops using this surplus food for residents?		07/11/2024	Applications where a clear link to household waste is demonstrated would be considered.	Please see section 2.7 in <a href="#">Guidance Document</a>
4	07/11/2024	Would you consider projects that look at household appliances/furniture, and in particular that look to create a resharing scheme in the community.		07/11/2024	Yes. We would consider an application that involved providing residents with the knowledge and platform to take unwanted household goods and redistribute in the community.	Please see section 2.7 in <a href="#">Guidance Document</a>
5	07/11/2024	Would you consider projects that focus on composting?		07/11/2024	Yes. We welcome new and innovative approaches to waste prevention which could involve composting and similar.	Please see section 2.7 in <a href="#">Guidance Document</a>

6	07/11/2024	When considering applications will you take into account the number of households/residents the project will/aims to reach?		07/11/2024	Yes. We fund projects that have good reach within or across boroughs.	None
7	08/11/2024	Is there a set number of small and medium grants which the £150,000 be allocated?		08/11/2024	No. The allocation of awards will be based on the applications received.	None.
7	08/11/2024	Does the criteria of projects tackling household waste mean we cannot apply if we are using business waste to benefit residents?		08/11/2024	We would look at applications where the project takes business waste but uses it to directly prevent household waste.	Please see section 4 of the <a href="#">Guidance Document</a>
9	08/11/2024	What evaluation criteria will you use evaluate proposals?		08/11/2024	Our evaluation criteria is set out in the Guidance Document.	Please see section 7 in <a href="#">Guidance Document</a>
10	08/11/2024	Can multiple organisations put in a joint bid?		08/11/2024	Yes. We welcome joint applications from organisations to deliver waste prevention activities.	Please see section 2.4.3 and 2.5 in <a href="#">Guidance Document</a>
11	08/11/2024	Can I apply if I am not a constituted organisation?		08/11/2024	Yes- but you would have to join with an organisation that is constituted who would act as your umbrella organisation.	None
