SUSTAINABILITY STARS!

Sustainability means something is...

When we throw something away, we throw away the resources used to make it.

Why are all of these goals important?

How are these jobs helping achieve the Sustainable Development Goals?

SUSTAINABILITY STAR

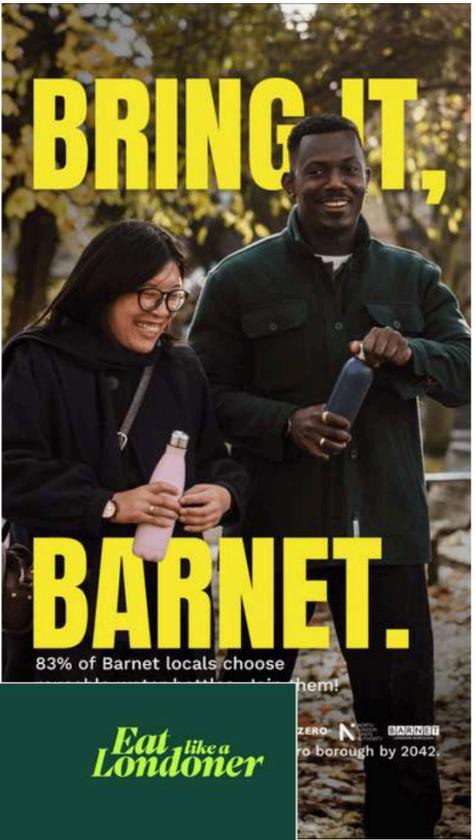

I worked on these projects!

KATIE

My job: Behaviour Change Project Manager

My favourite subjects: Maths and science because I loved learning about the planet, nature, and animals.

SUSTAINABILITY STAR

EUSTON

My job: Planning and Technical Solutions Manager.

Favourite subjects: Science and engineering because I love to find out how things work.

Here is the new Energy Recovery Centre that I have helped to develop!

SUSTAINABILITY STAR

ELIS

My job: Senior Environmental Leader at LondonEnergy.

My favourite subject: Science because I love to solve problems!

I work at the EcoPark in Edmonton!

What could you do to be a sustainability star?
